WEIGHTS: For 2011 models the method of calculating the MRO and payload figures has changed. Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the user payload are now within the MRO. The provision for a leisure battery has been included within the personal effects payload allowance.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.5m (1'8") from that stated.

AWNING SIZES: Due to varying awning designs and sizes the awning sizes given are approximately only. Specific awning sizes must be confirmed by your dealer or awning manufacturer prior to purchase.

Additional features

Body and Exterior Equipment

- AL-KO galvanised steel chassis with Euro-Axle
- Gas damper assisted handbrake
- Full wheel trims
- 13-pin 'Jaeger' 12V car connector
- A-frame cover with plug ties

 - Dual fuel gas and 230V mains water heater
 - Dual fuel 3KW gas and 2KW mains ducted air heating

The Sprite Range

offers an outstanding specification at an affordable price, with many features unique to this sector of the market. With the choice of 7 models, from the brand new compact, light weight Finesse 2, to the spacious twin axle Quattro FB, it is the ideal starting point for owning a new caravan. Exteriors feature one piece aluminium side walls with improved impact resistance and smart new graphics. Generous width and headroom gives spacious interiors with modern new fabrics and contemporary furniture in 'Tanganica' woodgrain with matt nickel accents. Spaceframe construction roof lockers and seat bases maximise storage and beech slatted seat tops are sprung assisted for easy access to storage areas below. With well equipped kitchens and washrooms the Sprite really is in a class of its own.
