

COASTLINE DESIGN EDITION

Optional 5th bed and drop down bed

An additional belted travelling seat and drop down bed can be added to the 674, 684 & 694.

Berths (sleeping positions)

+ 2

- 100kg

Reduced payload due to addition of beds and internal fixtures for passengers

All other specification as table

Note:

1. This is an indicative option for the 3700kg MTP/LM (for passengers)

2. The mass of the additional passenger must be taken into consideration when loading the vehicle.

- Notes:**
- 1. The Maximum User Payload includes:
 - a) the conventional load (this is the allowance for passengers)
 - b) essential habitation equipment (items and appliances)
 - c) optional equipment (items available from the manufacturer over and above the standard specification)
 - d) personal effects (those items not covered by the above)
 - 2. The Mass in Running Order is the mass of the laden vehicle including a 75kg driver and 75kg of luggage, plus 90% of the full tank capacity and 1 x 6kg Color Life LPG cylinder.
 - The MPO is calculated with the fresh water tank empty. If you travel with water in the tank, the weight will increase.
 - 3. Please refer to the mass of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment, appliances, bicycles, sailboards, sports equipment etc.
 - 4. Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded. * With this vehicle configuration it will be necessary to reduce the payload carried when towing a motor caravan. The MTP/LM and maximum axle loads are not exceeded.
 - # Please note that the additional weight of the tow bar and trailer nose weight increases the rear loading of the motor caravan. Care should be taken to ensure the total weight does not exceed when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 10% of the maximum axle load.
 - Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.

Highbridge Caravan Centre is your first choice for new caravans, used caravans, new motorhomes, used motorhomes, new trailer tents, used trailer tents, new folding campers, used folding campers, awnings, and thousands of accessories lines!

Highbridge Caravan Centre is a family business developed over 50 years. As one of the largest outdoor leisure dealerships in the country we owe our success to an emphasis on exceeding customer expectations.

Customer care is the backbone of the company and the continuous commitment to customers long after they have picked up their purchase has resulted in numerous awards and a very loyal customer base.

Providing you with wider variety has been Highbridge's aim from the beginning and now you can choose from a huge selection of leading manufacturers awnings, trailer tents, folding campers, caravans and motorhomes...all at one site.

So before you plan your holiday this year, make sure that you plan a visit to Highbridge.

2017 COASTLINE DESIGN EDITION RANGE

EXCLUSIVE TO HIGHBRIDGE CARAVANS | BUILT BY SWIFT

COASTLINE DESIGN EDITION

With its striking streamlined low profile design, Euro 6 engine and class-leading specification, the 2017 Coastline Design Edition range has a level of style and luxury you would normally only find in more expensive motorhome ranges.

Built using Swift Group's enhanced SMART Plus construction this now features new balanced panel side walls having both GRP outer and inner skins to create a full GRP bodyshell.

Exclusive warm and welcoming soft furnishings complement the Aralie Sen woodgrain to provide a relaxed and comfortable ambience. There is a vast array of features including the Swift Command control system which includes a new Thatcham Category 6 pro-active tracker option, to give you more control of your motorhome.

COASTLINE DESIGN EDITION EXCLUSIVE FEATURES

Easy action concertina flyscreen

Pull-out awning

100W Solar panel

Truma drivesafe duo gas changeover regulator

16" Alloy wheels

LED daytime running lights

Black headlight bezels, skid plate and front grille

DAB radio/MP3 player with Bluetooth

Leather steering wheel and controls

Rear view camera and screen

Cab air conditioning

Cruise control

PLUS:

- Exclusive soft furnishing scheme
- Coloured bumper
- Reversing sensors
- External BBQ point
- External shower point
- External 240V mains socket
- Omnivent
- Passenger airbag
- Front opening sunroof with blind and flyscreen
- Bronze dashboard trim
- Exclusive graphics scheme
- Seitz exterior door with window, bin & central locking
- Status TV aerial
- Winter Pack (heated waste water tank, insulated water pipes and fridge vent covers)
- Room dividers (model specific)
- Pleated windscreen blind
- Wardrobe lights
- Swift stepwell light

STEP INTO SMART + CONSTRUCTION

- Unique enhanced SMART Plus construction system with new balanced panel side walls with GRP outer and inner skin for greater resilience
 - Rigorous safety testing at Millbrook, cold chamber testing down to minus 15°C and beyond, put prototypes through conditions most products will never have to experience in a life time, all part of the Swift ethos to deliver the best product possible to you
 - Assured build construction with a manufacturer backed, free 10 year bodyshell warranty standard on all motorhomes
- To find out more about SMART visit www.swiftgroup.co.uk/smart

STEP INTO MORE CONTROL

Swift Command technology features a smart LCD control panel that has enhanced functions. There is also an exciting, free downloadable 'app' that links to the Swift Command Unit, so you can be in control wherever you are with the convenience of your mobile device.

For even greater peace of mind you can subscribe to the newly incorporated Thatcham Category 6 pro-active approved tracker to add extra security to your vehicle.
