MOTORHOMES

2016

Inspiring adventures

Freedom to explore

In 2015 Adria reached a milestone – fifty years at the forefront of caravan and motorhome development. The first Adria caravan ‘375’ rolled off the production line back in 1965, and in the 1980’s, motorhomes were introduced. Fast forward to today and our range of caravans, motorhomes and van conversions are more popular than ever.

Fifty years of experience brings with it so many advantages – Adria’s experience in design and the layouts offered, as well as our passion and commitment to offer the best products available.

All Adria vehicles are made at our state-of-the-art factory in the heart of Europe. Here, our skills and the best suppliers in the industry, come together to produce innovatively-designed vehicles of the highest quality, durability and reliability.

And on your adventures, it’s always good to enjoy peace of mind. Our products are backed up with class-leading warranties, a dealer network of over 400 professional dealers and an efficient parts and aftersales service.

Discover more in our online magazine, Inspirations, at www.adria.co.uk

Enjoy your adventures.

1 PASSION AND EXPERIENCE.

Adria has been designing and manufacturing recreational vehicles for over fifty years. This experience and the passion and skills of our workforce, really matter when designing and manufacturing your next vehicle.

2 AWARD-WINNING PRODUCTS.

Adria offers products in all categories of motorhome, caravan and van conversions and has a large choice of layouts. Adria products continue to win independent awards too, for design, innovation, quality and value for money.

3 INTELLIGENT DESIGN.

Adria practices intelligent design, which optimizes the use of technology, the best construction methods and materials. Innovatively-styled vehicles with contemporary interiors as well as unique Adria solutions like Smart kitchens and hotel-style ergonomic bathrooms.

4 STATE OF THE ART FACTORY.

Adria operates the most advanced production facilities in the industry, ISO 9001 & 14001 certified for quality and environmental standards. Here, world class manufacturing techniques and processes are operated, for designed-in and built-in quality.

5 QUALITY, RELIABILITY & DURABILITY.

Adria vehicles have a reputation for quality, reliability and durability using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire vehicle manufacturing process.

6 PEACE OF MIND.

Adria products come with a class-leading warranty. There's a professional dealer network of over 400 Adria dealers across Europe and beyond, backed up by a world-class parts supply and aftersales service.

Living in motion

Adria's philosophy of 'living in motion' is never better exemplified than in its support of cycling. We are proud to support the Adria-Mobil Cycling Team, promoting cycling as a healthy lifestyle and form of green mobility.

Primoz Roglic and the Adria Mobil Cycling Team, winners of the 22nd Tour of Slovenia, 2015.

Tina Maze, double World Champion and double Olympic Gold Medallist.

World-class Partners

One of the best skiers of all time, Tina Maze, from Slovenia. An extreme performance athlete with thirteen Olympic and World Championship medals, double World Champion 2015 and highest ever world cup points score 2012-13. Tina uses her Sonic to balance her training, studies and leisure time.

Extreme Performance

Every January since 2013 a fleet of Adria motorhomes, straight off the production line are taken on the Dakar Rally in South America by our partners Red Bull KTM Factory Racing. Each vehicle provides home comforts to the riders and team as they battle across 9,000kms of the toughest terrain on earth. This is the ultimate real-world durability test, won three times in a row.

Marc Coma, 2015 Dakar Rally winner. His fifth personal win, KTM's fourteenth.

Jakov Fak, World Champion and Olympic medallist biathlete.

World-class Performance

Olympians Tina Maze and fellow snow athlete, Jakov Fak are both world-class performers who push themselves to the limit. Jakov Fak, biathlete, two times World Champion and an Olympic bronze medal winner, uses his Sonic everyday to support his lifestyle, training and competing at the highest level.

Inspiring adventures since 1965.

Time travel

From the very first 375 caravan in 1965 and the first Adriatik 420 and 450 motorhomes in 1982, Adria has inspired generations of holiday-makers to enjoy the freedom that only a touring holiday can bring.

You can be confident that every Adria vehicle brings you a level of comfort, practicality and ease of use which no other brand can match. That's what experience and passion bring – we call it inspiration.

Designed for living

Details matter

In designing a recreational vehicle, details matter and every centimetre counts. The science of layouts and construction, so that everything is in the right place, is learned over decades and Adria brings this experience to every vehicle.

Only Adria offers innovative solutions such as our Smart kitchens, hotel-style 'Ergo' bathrooms, a wide selection of sleeping solutions, optimized and flexible storage and our unique panoramic windows.

Details really matter, from the contemporary interior design to where we locate the heating – all Adria vehicles are 'designed for living'.

INTERIOR DESIGN

Adria vehicles optimize interior space and functionality in a contemporary interior design, with a choice of furniture and textiles. With the best appliances and furniture construction, all Adria vehicles are built to last.

COMPREX CONSTRUCTION

All Adria motorhomes benefit from Adria 'Comprex' construction which combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester. Combined with the best Thermo-build insulation and air-flow management for optimum real-world performance. Backed up by a 10 year water ingress warranty.

PRACTICALITY

Flexible and practical storage solutions are integrated throughout all vehicles, with a range of solutions from large externally accessible garage spaces to underfloor storage in selected models and spaces for things exactly where you need them to be.

PERFECT INTEGRATION WITH THE BASE VEHICLE

All Adria vehicles are designed to be perfectly integrated with the base vehicle. Integrated styling, seamless interior integration of space and a design which fully optimizes the driving dynamics.

Real-world performance

All Adria vehicles are also designed to perform. Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment when on your adventures. Built to enjoy, built to last.

CONSTRUCTION

Adria vehicles with 'Comprex' construction now offer a 10 year water ingress warranty, as standard, reflecting the superiority of this unique form of body construction.

Adria's 'Comprex' construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester. Body construction with greater solidity for optimum real-world performance and better insulation.

INSULATION

All Adria vehicles are built to 'Thermo-build' standards, optimizing the use of insulation materials, heating design and Adria Air Flow System. This means all Adria vehicles are suitable for use all year round.

VENTILATION COOLING

Adria vehicles are designed to be comfortable too, with sophisticated air-flow management, good ventilation, windows with integrated sun-shading or tinting and opportunities to fit air-conditioning.

*some features may not be available on all models.

HEATING

Adria optimizes the heating efficiency of all vehicles with precise engineering and cold-chamber testing. This approach combined with Adria 'Comprex' construction and the best insulation enables the elimination of thermal bridges for an efficient, comfortable environment, all year round.

Vehicles offer a choice of heating systems, both are efficient and powerful, each with their own advantages. All Adria 'Axess' and 'Plus' model motorhomes are available with Truma heating. A

popular choice, easy to use, with warm air distributed through well-placed pipes, with optional electrical floor heating too.

'Supreme' models come with fully integrated Alde heating with a heated liquid transferring the heat throughout the motorhome through the floor. There's optional Alde heat exchanger and optional Alde Smart Control, which enables heating control through your Smart phone.

VEHICLES

PERFECTLY INTEGRATED

Perfect integration with the Fiat Ducato is achieved, from the exterior styling to the integration of the internal space between the living space and cabin. The driving and handling characteristics are optimized, making the driving a real pleasure, with enhanced driver aids and powerful engines.

- Automotive style face and cabin interiors with 'Captain's chairs'.
- A range of best-in-class Multijet engines with improved fuel economy.
- Easier driving with features such as Comfort-matic gearbox and Gear Shift Indicator.
- Infotainment choices such as Bluetooth radios, MP3 and navigation options.
- Driver aids including Start & Stop technology and practical Tablet/Smart phone holder with USB connector.
- Options include Electronic Stability Control, Traction and Hill Descent Control.

REAR SUSPENSION
Rigid rear axle with longitudinal parabolic leaf springs, telescopic dampers and flexible side blocks.

FRONT SUSPENSION
Each MacPherson strut suspension with swing arm, screw springs, telescopic dampers and a stabiliser.

MULTIJET ENGINES
Electronically controlled Multijet common rail direct injection engines with turbocharger and air cooler intake, for efficient performance.

- Automotive style cabin.
- Efficient and powerful engines with Twin Turbo technology.
- Improved torque and fuel efficiency.
- Infotainment choices for a more enjoyable driving experience.
- Options including Electronic Stability Control and other driving aids.
- Upgraded Adria Air Suspension.

REAR SUSPENSION
Rigid rear axle with longitudinal parabolic leaf springs, telescopic dampers and flexible side blocks.

FRONT SUSPENSION
Each MacPherson strut suspension with swing arm, screw springs, telescopic dampers and a stabiliser.

MULTIJET ENGINES
Powerful and efficient Renault multijet engines.

New automotive Renault styling and improved comforts and functionality are the hallmarks of the Renault Master, which features on the Matrix Supreme.

COMPACT

COMPACT
RANGE

COMPACT PLUS

Compact dimensions,
infinite possibilities

The new Compact sets the new benchmark for smaller motorhomes, with smart exterior dimensions making them true “city motorhomes” yet more interior space, enabling more possibilities when it comes to holiday adventures. Built on the acclaimed Fiat Ducato, these new motorhomes offer a genuine new alternative.

COMPACT PLUS

COMPACT

COMPACT PLUS

The new Compacts are agile and adaptable motorhomes, with new exterior styling, new interior design and excellent layout solutions with optimized space for living and for storing your things. Now offering Adria's acclaimed Smart kitchen, Ergo bathroom and comfortable beds and with a dinette on a double floor and Truma heating.

More space than ever, in a compact motorhome thanks to the intelligently designed furniture and layouts. From the concave but deep overhead luggage compartments, the sizeable dinette, new Smart kitchen and Ergo bathroom, every centimetre is planned meticulously.

More space,
more possibilities

- **TWIN 540**
- **TWIN 500**

Agile and
adaptable

Adria's range of agile and adaptable van conversions, called Twins, offer superbly practical and comfortable campers for quick get-aways or longer holidays. Choose from models from 5m to 6.4m in length, all with high specifications and flexible interiors.

TWIN 640

TWIN 600

TWIN 540

TWIN 500

Living in motion

Adria's designers know from experience how to design the ultimate camper vans, with the style, practicality and comfort you expect and those touches of inspiration too.

NEW FEATURES

TWIN VANS NOW WITH ELECTRICAL-POWERED DOORS

New for the season 2016 Twin van range is the option of an electrical-powered sliding door. Operated by a simple press of a button, one press and the door silently does its work. There's an automatic safety-cut off so it doesn't

close on anything it shouldn't and a built-in integrated mosquito net too. The new option is available as an option on Twin 640 SLX, Twin 600, Twin 540 and Twin 500.

VANS

- TWIN 640
- TWIN 600
- TWIN 540
- TWIN 500

• A choice of colours, complemented by tinted windows and useful features such as the sliding door stopper and LED awning light make this an attractive and versatile camper van.

• Attractively designed camper vans perfectly integrated into the Fiat Ducato, with a choice of exterior colours and a range of models available. All built to Adria Thermo-build standards and packed with features.

Agile and adaptable
