

Abbey Caravans
The 1999 Collection

Abbey Caravans has perfected a unique combination of quality, value and prestige to create the 1999 range of Iona Vogue, Evolution, County, GTS Vogue and Spectrum Models. With over 30 years' specialist experience, each one of the 23 models is developed with the finest style, comfort and safety features to give Abbey tourers their distinctive character.

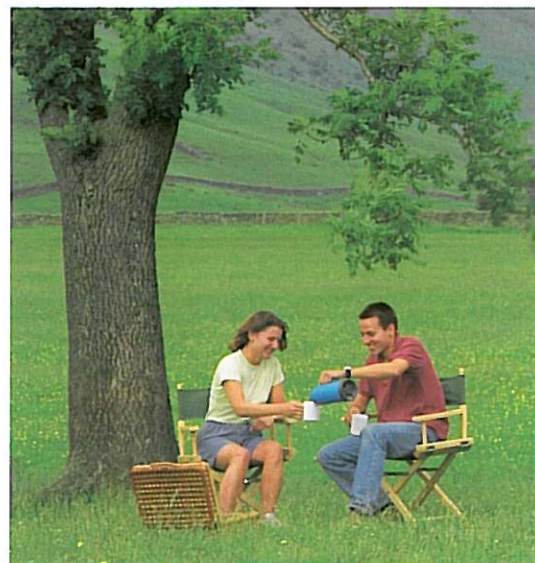

Every detail of the design and build quality of an Abbey incorporates a complimentary blend of

traditional craftsmanship and state of the art advanced technology.

Computer Aided Design techniques ensure precise weight distribution and aerodynamics as well as defining perfect use of internal space for maximum usability and comfort, whilst traditional craftsmanship gives individual style. Each model uses a lightweight Al-Ko galvanised steel chassis with bonded floor and sidewalls for extra strength, and is unsurpassed when it comes to safety and security features.

Developed by highly skilled engineers and produced in one of the most advanced manufacturing facilities in Europe, Abbey tourers offer unrivalled quality and flexibility.

The exacting standards upheld by Abbey ensure all models comply with the New European Standards and have also gained the company the prestigious ISO 9001 award for the quality systems used throughout all operations.

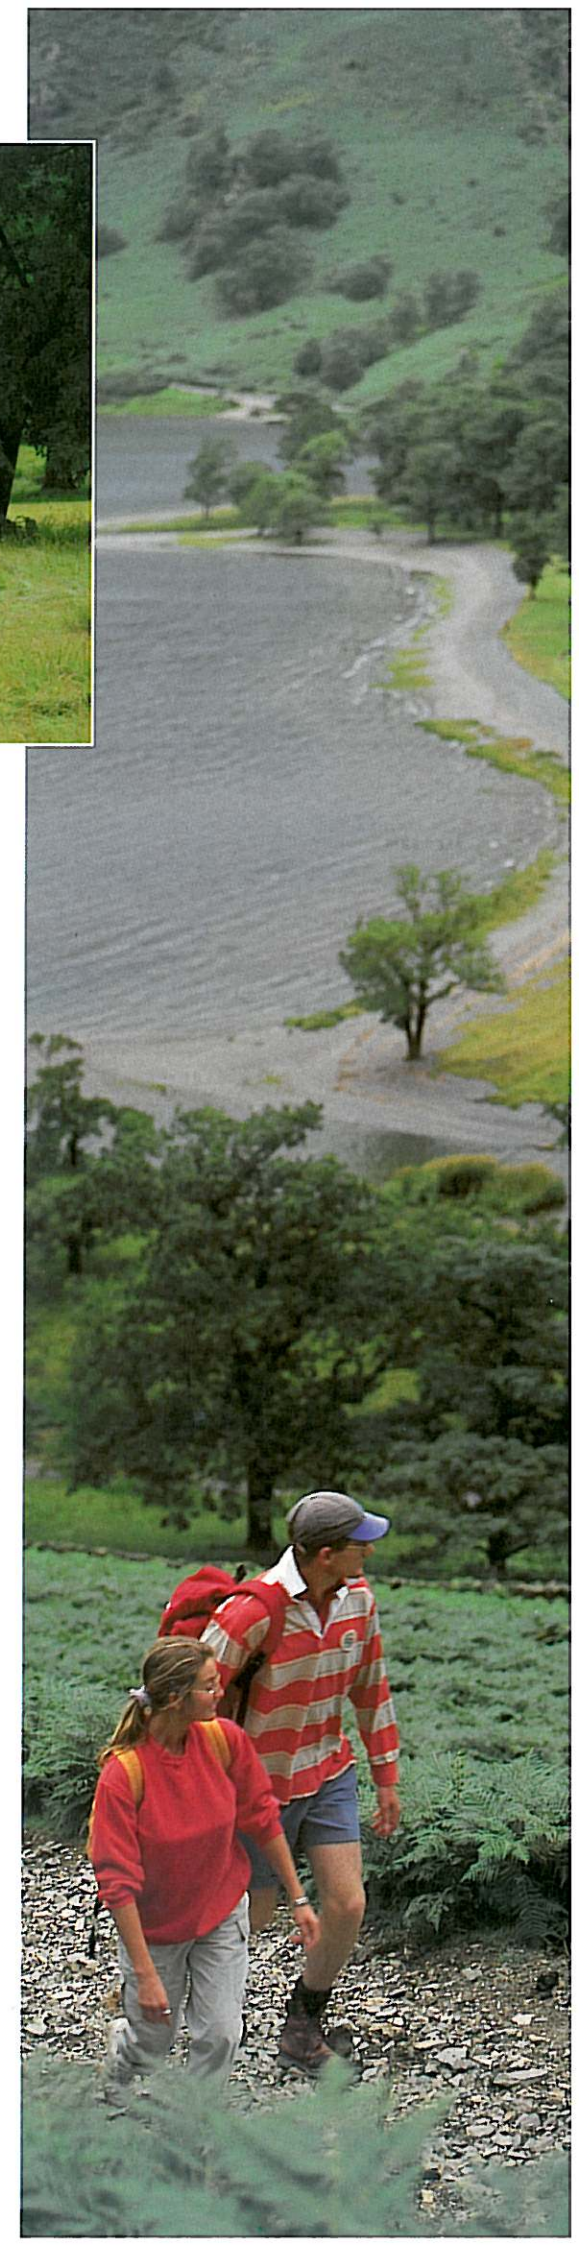

To reserve your place on a factory tour to see Abbey products being produced in one of Europe's most sophisticated factories, simply call the number on the back of the brochure.

For 1999, Abbey has developed three attractive new models, a host of new layouts and an additional new rear end washroom to add to the award winning choice. Specifications of existing models have been upgraded in the key areas of furniture and electrical systems to create the ultimate range of Abbey tourers.

The Abbey commitment to quality extends beyond just building tourers. Abbey dealers are carefully selected to ensure the highest standards of service and customer care. The Abbey After Sales complex is linked to the dealers across the country through sophisticated computer networks which provide them with instant information and parts ordering facilities 24 hours a day.

Peace of mind is guaranteed when you leave the Abbey dealership thanks to the comprehensive three year Abbey SuperSure warranty. This can be extended to five years on the payment of a competitive single premium. The warranty is operated by the Swift Group in year one, and administered by the highly respected Warranty Holdings Group from year two onwards.

All you have to do to maintain the warranty cover is take your caravan back to an approved Abbey dealer once a year for an annual inspection service, which is chargeable. All Abbey dealers offer a number of other professional services to help customers, such as a choice of finance schemes and comprehensive insurance cover to make your holiday happy and worry free. Abbey, leaders in helping you make the most of your leisure time.

Iona Vogue

The Iona Vogue reflects its new name with a stylish new bodyshell, GRP front and rear panels, three opening front windows and slight increase in width to 6'6". The new appeal continues inside with traditional cotton print fabric and Seville Oak style furniture with complimentary laminates to worktops giving a warm feel. A fully fitted washroom and luxury kitchen with Stoves oven and stylish Elite kitchen tap gives the Iona Vogue status at amazing value. The Iona Vogue, perfectly formed for 2 people and the less powerful car to take you off the beaten track.

All pictures show Iona Vogue

Evolution

The Evolution range adds a new dimension to modern touring. Impact and scratch resistant GRP (Glass Reinforced Plastic) side walls in brilliant white, together with GRP front and lower rear panels and new co-ordinating wheel trims make the 3 models practical to maintain and eye-catching to look at. Add a choice of fully fitted rear washroom layouts and seating options, Birds eye maple mouldings to golden ash style furniture and colour co-ordinated interior styling and the result is a range of tourers that reflect the needs of today's modern lifestyle.

County

The County range features a new model, the 4 berth Gloucester offering spacious seating and a rear kitchen. Inside the range is transformed with new Seville Oak style furniture, new laminates to worktops, halogen lighting and the latest 2000 and 4000 Carver space heaters. No detail has been overlooked, with extra shelving in the Dorset and Oxford NT washrooms, and new vanity equipment with splash backs and towel rails in the Lincoln, Stafford and Warwick. With quality Stoves oven and matching kitchen equipment and space heater, the County range sets new standards in value for money.

GTS Vogue

The GTS Vogue with the new 217 offering front dedicated L shaped seating boasts a wide range of layouts and a choice of upholstery fabrics enabling you to specify your level of comfort and style. Restyled curved front shelf, front pelmet lighting and complimentary furniture and worktops give the interior a fresh new look. A new rear end SB washroom in the 215 and 416 adds further choice to the impressive Abbey washrooms, now with chrome Elite washroom taps. Stoves midnight blue oven, Carver 4000 space heater, Electrolux 77 litre fridge, the luxury goes on and on. Add the distinctive exterior and this is where grand touring starts.

Spectrum

The flagship Spectrum twin axle with stylish GRP exterior front and rear panels, external access wet locker incorporating 230v socket and shaped side windows, takes on a new look inside. The new 420 layout features a large side dinette with rear kitchen whilst the 418 incorporates the new luxury rear end SB washroom with separate vanity unit, circular shower, Thetford electronic cassette toilet and changing area with wardrobe. Lift and recline front seating, new upholstery, Seville Oak style furniture, improved lighting, three speed Omnivent roof fan and panoramic roof window plus many more finer points of detail fill the Spectrum to the brim with new appeal.

New Electrolux fridge

Side repeaters/high level brake light

The latest Carver room heater. All models also have blown air central heating and radiant heat facility

Latest Stoves glass fronted oven and four burner hob

Trapezium shaped side dinette windows

At only 6'6" wide the Iona Vogue is a dream to tow

Flyscreen and blind

Three speed Omnivent roof fan on the Spectrum

Exterior door flyscreen

Halogen ceiling light

Washrooms

No one takes the design of washrooms more seriously than Abbey, pioneers of the end washroom with separate shower, vanity unit, changing area and wardrobe. Abbey has moved even further forward in this area for 1999 with a new SB style layout with domestic style fully sealed shower cubicle in brilliant white with a swish revolving bronze tint door.

Exterior

New for 1999

- ◆ All models comply with the new European standards
- ◆ Restyled body shell
- ◆ Stylish GRP front and rear panel
- ◆ New graphics for 1999 season
- ◆ Easy access bottle storage with gas strut
- ◆ Three opening front windows
- ◆ New exterior width 6'6" (1.98m)
- ◆ Bolt on wheel trims
- ◆ Body colour wheel fairings
- ◆ Magnolia aluminium exterior
- ◆ Al-Ko galvanised chassis with Euro-axle
- ◆ Exterior door with window and blind
- ◆ Exterior access battery box (excluding battery)
- ◆ Awning light
- ◆ Neutral density rear light clusters with stop/tail, fog, indicator and reversing lights
- ◆ TV aerial and booster

Lounge and Dining Area

New for 1999

- ◆ Seville oak style furniture
- ◆ Complementary worktop laminates
- ◆ Traditional cotton print fabric
- ◆ Free standing table with dedicated storage location
- ◆ Chest of drawers with occasional table
- ◆ Cocktail cabinet with glass and bottle holders
- ◆ Superior quality domestic style sprung bedding and backrests
- ◆ Two scatter cushions and bolsters

Kitchen

- ◆ Sandstone kitchen equipment with matching heater front
- ◆ Electrolux 60 litre refrigerator with piezo ignition
- ◆ Four burner sandstone Stoves enamel hob with FFD (Flame Failure Device) and grill
- ◆ Stoves thermostatic sandstone glass fronted oven
- ◆ Sandstone vitreous bowl and drainer
- ◆ Chinchilla hob work top and cutting surface
- ◆ Extending pull out worksurface

Heating and Plumbing

New for 1999

- ◆ Microswitch plumbing system
- ◆ Grade 2 classification of thermal insulation and heating
- ◆ Carver 2000 space heater with auto ignition
- ◆ Elite kitchen taps
- ◆ Fanmaster with ducted blown air and radiant heat facility
- ◆ Fully fitted washroom with vanity unit and tip-up wash basin
- ◆ Fully fitted shower compartment with mixer taps
- ◆ Thetford cassette toilet
- ◆ Carver Rapide gas/electric water heater
- ◆ Inboard rigid piped microswitch fresh water system
- ◆ Large bore underslung rigid waste pipes

Electrical

New for 1999

- ◆ Halogen ceiling lights
- ◆ Full mains electric with three 230v mains sockets
- ◆ Full 12v electrical system with one 12v socket and plug
- ◆ TV station with 230v/12v/aerial point
- ◆ 12v and 230v mains reading lights
- ◆ Switchmode charger transformer with ELCB
- ◆ Modular electrical control panel
- ◆ 25 metre on site mains connection lead

Fittings and Equipment

New for 1999

- ◆ Caravan entrance step
- ◆ Fully double glazed windows with night latch ventilation
- ◆ Multi directional roof lights with sliding blind and flynet
- ◆ Pull out roller slatted bed
- ◆ Solid ash framed furniture doors
- ◆ Deep hardwood edges to work surfaces
- ◆ Quartz clock
- ◆ Doormat and tray with brush out facility
- ◆ Exterior door flyscreen
- ◆ Secure furniture fixings using concealed metal plates and timber rails

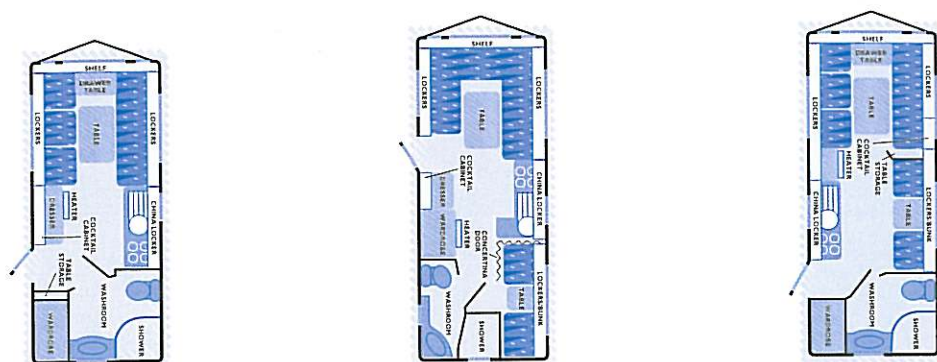

Security

- ◆ Concealed security data chip within the caravan's construction
- ◆ High security single key operated locks (except bottle box lid)
- ◆ Identity number etched to windows and caravan chassis

Note: Payloads on all 1999 Abbey Caravans (all ranges)

Maximum Technical Permissible Laden Mass is the maximum weight all caravans are plated to by the manufacturer to include a normal payload. - if you require extra payload, in some cases it may be possible to increase the MTPLM. To do this, you must contact your dealer who will arrange to have a new weight plate supplied by the manufacturer for a charge. If you exceed the MTPLM plated on your Abbey tourer you could be liable to prosecution.
